## iPad Home School Agreement

6<sup>th</sup> October 2016

Dear Parents/ Carers,

We are hoping to send home an iPad mini with your child this term which will become a home/ school device. To allow your child to bring home their iPad mini, we need you to read through the **Home School Agreement** carefully and for both you and your child sign the end section. When we have received all returned agreements, we will be able to send the iPads home.

This is a significant investment for Penponds School and we are aware that the use of iPads to support learning is still in its infancy. During this term, your child will continue to be taught how to use the Apps on their iPads. We will also plan another parent session for you to attend where you will be able to ask questions and find out more about the Apps your child is using in class.

If you have any questions about the Home School Agreement, please contact Mrs Lawlor or me and we will be happy to help.

We are really excited about embarking on this project with your child and are still one of the only primary schools in the area that undertake this. We would appreciate any comments, feedback or help you may be able to offer as we move forward with the project.

Yours sincerely,

Mr Adam Richards  
Headteacher
