

Carn Brea Class Homework -Spring Term 2020

Subject	Bronze * 3 	Silver ** 4 	Gold *** 5 
Literacy	Can you listen to an audio book? At the end re-tell the story to someone. Can you remember what happened?	Go on a red word hunt. How many can you find in your favourite book? Remember you can't 'fred' a red. Can you write some down from memory?	Re-tell our class story to your family. Can you remember the beginning, middle and end? (The Hungry Caterpillar-spring 1 /The Snail and the Whale- spring 2)
Maths	Can you read the O'clock times on an analogue clock? Maybe you could make your own clock out of cardboard and draw all the numbers around the edge?	Can you play a card game? Play it with your families by following the rules. Maybe you could bring the game into school and see if you can teach your friends the rules.	Try learning about capacity by playing with different containers in the water. Can you use the words, 'full, half full, nearly full, half empty, nearly empty, and empty to talk about your containers?
Understanding the World	Go on a walk around your home. What sorts of technology can you see. Draw a picture of all the things you can find. What are they used for? What are they called? (TV, radio, Alexa, etc)	Can you draw a picture of your garden or a local park. What do you observe when you look at it? How has it changed now the spring is starting? Was it different in the winter?	Can you go on a bug hunt? What do you find? Do you know what it is called? Draw a picture or take a photo of it to bring into class and tell all your friends about it and where you found it.
Expressive Arts and Design	Can you create a insect collage? What will you use for their body? legs? antennae? wings? What type of insect is it?	Can you make up a dance to your favourite piece of music as if you were an insect? Get your parents to film you. Maybe you could dress up?	Can you design and make your own mini garden? What are your favourite flowers? Use which ever materials you wish and it can be 2D or 3D
Physical Development	Can you practice your scissor skills? Try cutting insect and flower pictures out of an old magazine or newspaper and stick them onto a piece of paper.	Can you make a poster showing all the things you need to stay healthy? Remember to think about meals, exercise and hygiene.	Take a visit to a park. Can you balance? Travel over and under something? Climb up and down something? Remember to stay safe and only do something if you feel confident enough to do it
Personal, Social and Emotional Development	Can you make a list of things that you can do 'with help' and 'without help'	Can you try something new that you have never done before? How about gardening? Washing up? Or even roller-skating? Can you say why you like some activities more than others?	Do you remember the schools 'Bee Rules?' can you draw a poster to put up in the class to remind everyone?
Computing	Download the 'Read Me Stories' app. Enjoy listening to the stories together. Can the children	https://www.bbc.co.uk/cbeebies/games/alphablocks-games can you play the alphablock game online?	Download the 'children's traffic club' app http://www.childrenstrafficclub.com/free-activities/

Carn Brea Class Homework -Spring Term 2020

Please pick and choose which homework you do. The children can present them in any way they wish and when completed and shared at school they will get dojo points!
The main thing is have fun! If it is hard to record the homework simply write what your child did on an 'ask me about' sticker or share on Tapestry.

Reading:	Phonics	Maths
<p>Please try to read with your child for ten minutes every day. Write a comment in your child's reading record to let us know how they are getting on.</p> <p>Remember to read to your child as often as possible. A variety of books will be best, but also remember to re-read favourites and make it fun!</p>	<p>Complete the phonic letter sheets sent home. Ask your child to 'teach' you the sounds.</p> <p>Keep an eye out for new 'red words'. These are sight words that need to be practiced regularly to enable your child to remember them. Your help with this at home would be brilliant.</p> <p>When reading with your children can they 'fred in their head'? say the sounds in their head, blend them together, then say the whole word out loud,</p>	<p>Practice counting to 50 together.</p> <p>Can you practice adding two amounts together or taking away?</p> <p>Try to keep it practical, fun and use real life situations.</p> <p>Practice reading O'clock times on an analogue clock.</p>
