This week's focus: Tregonning's Trek through World War Two

On Tuesday 22nd of May, Tregonning class had their World War Two topic day. We all dressed up from Soldiers to Evacuees. The person who taught us was called Captain Davis and he was dressed up as a soldier.

Our first activity was the timeline. We would have to put our hands up and put the

timeline in order from the earliest to the latest time. After that, we got given either a red or blue ball. If you got a red ball it meant you were in the Anti-Aircraft and if you got a blue ball it meant you were in the RAF. Next,

we would take it in turns to throw the balls at a map of England attempting to knock the planes off the planes which were on the map.

Break time: After break time, we learnt about Rationing. We had pictures of food and we would have to see how much an adult would be allowed back then. After that, we practised getting under tables as quickly as possible when the 'war' was happening.

Lunch time: After lunch time, we had our next activity, which was when we got handed a potato (yes, I said potato) which we had to throw like we were throwing grenades. Now, the last activity, which I

am sure is everyone's favourite....

Dates for your diary:

- Monday 23rd July and Tuesday 24th July** – INSET DAYS – no school for children

The Aftermath: We all got under our tables whilst the 'war' was happening outside. When it had ended, we got out from under our tables and went outside to do our jobs. Mine was a medic which we had to look around for the 'people' who were injured. We all enjoyed it loads. By Emily Jones

Tregonning's Skeleton Workshop at Nexus

On Monday 21st May, Class 4 went to Nexus to learn about skeletons. When we started, we had to think about what our skeleton is for and why we need it. We need a skeleton so our muscles have something to attach to and so we are not a blob. Our skeletons are for structure, support and movement.

Next, we had to cut out and construct our own skeletons. After that, we used our skeletons to label the main bones in the human body.

We then walked around the room with a sheet covered in animals trying to identify which bones belonged to each animal. We walked around again to identify the prey and the predators.

The Google Assembly

On Wednesday 24th May, Jenny and Daniel from Google came to our school for an internet safety assembly. As we came into the hall, we all got given a hand card (which signalled yes or no/true or false). Then, Jenny handed out Colin – Colin is the soft, fluffy Google cat. They taught us about internet safety and how to recognise hackers, what websites are safe or not and reality – it it's real or fake. Next we had **Challenge Time**, we had to answer questions about the Internet and being safe. We moved from planet to planet learning more and more about being safe online. The key objectives in this assembly were check it's for real, protect your stuff and when in doubt discuss.

Visitors from USA

On Thursday we had some visitors from Indiana, USA. They had come to visit the school as the lady's father attended Penponds School many years ago. He left straight from here to work in a quarry before moving to America when he was 18 years old. They still have cousins who live in Hayle. They were delighted to be shown around by Faith, Evie and Sophie. Well done, girls.

PADL Award!

This morning our school council, e cadets and learning ambassadors met with Jilly Parkinson from Cornwall Council to talk about their work in helping make the school better. Jilly was very impressed with the work the children had done and has awarded the school the **Promoting Active Democracy Loudly (PADL) Bronze Award!** Thanks to Mrs Lawlor and Miss Percy for facilitating the various meetings with the children. The children have been invited to attend an award ceremony at County Hall later in the summer term.

PE Provision Survey

Please can you take 5 minutes of your busy schedule to take a look and answer the P.E survey over the half term as Mrs Watts needs to evaluate your opinions of the P.E at Penponds for her Level 6 award and together with Mr Richards can try to implement

some of the suggestions you can offer the school.

Penponds Church visit

Today Class 3 and 4 went to Penponds Church. We walked there and we learnt a song about Pentecost. Then we split into groups and my group did the sharing activity. We also did activities on Doing, Growing, Telling, Receiving and Waiting. My favourite activity was Receiving because I could think about how to improve the world. I had a good time at the church and we had tasty dove biscuits which we shared. By Piran Ellis

SUSTRANS and Movement Control Display

Penponds School have won The Big Pedal and were rewarded this afternoon to a fantastic bike stunt display from Movement Control Display. A Big Thank you for this treat and to Dr Bike for his support.

Presentation Evening at CSIA

It is that time of the year where we start to think about the Alliance Presentation Evening that will take place in the CSIA Sports Hall on Thursday **5th July from 5:30pm**. It is a **celebration of the Year 5 and 6s achievement over the year in P.E.**

The evening will follow a similar style to last year, with students having a rehearsal in the afternoon prior to the awards evening. Schools are invited to bring along dance or other performances that will be included in the evening and parents will be able to have up to 2 tickets per student to come along and watch.

I have attached details of the Art and literacy **competition**, (which is open to years 3, 4, 5 and 6 students of Penponds) where CSIA award first place during the presentation evening. **CSIA also display all the students work in the corridor leading into the sports hall so students and parents can see all of their hard work. It would be great to have as many entries as possible for this so that we can showcase all of the talent in your schools as well as supporting the idea that PE and school sport can be cross curricular.**

I would be grateful if you could get this back to me by **Friday 15th June** at the latest, so that I can then get letters to all students and have time to allocate tickets to parents that wish to come along.

Last year, we had several parents turn up without tickets, and we had extremely limited space available, so this year, if a parent/ carer doesn't have a ticket, they will not be permitted to come into the school for the awards evening.

MAIN RING THRILLS...

It's the action packed centre of the showground, each day hosting a full programme of thrills, spills, skills and great family fun.

EXTREME /
The Kingrao Kid is back with his high-octane, death-defying quad-like stunt show. Prepare to be amazed as this Royal Cornwall Show favourite flies high above the main ring, jumping over anything that's put in his way.

AWE-INSPIRING /
To mark the 100th anniversary of WW1, the Cavalry of Heroes will present a special show remembering the role that the horses and soldiers played in The Great War. Combining tricks and stunts, an ensemble with a great music score, sing-along and a final cavalry charge. Friday & Saturday only.

CELEBRATE /
THE PRINCE'S COUNTRYSIDE PARADE
A national celebration of HRH The Prince of Wales' 70th birthday and his lifelong commitment to rural Britain. Thursday only.
Prize money will be awarded to 100000+ visitors who take part in the parade on the 8th June.

IT'S CORNWALL'S LARGEST ANNUAL EVENT

7, 8 & 9th June 2018 the showground at Wadebridge will come alive with a huge array of top quality entertainment, first class farming, stunning shopping with live music, dance and street theatre to boot.

Come and see why over 120,000 people enjoy the show each year.

There's something for everybody.

DOG SHOW /
Over 1000 show dogs will take part in the dog show across all 3 days. There's even a fun dog show on Saturday open to all.

FLOWER SHOW /
One of the country's leading regional flower shows. The huge marquee is full of stunning floral displays.

MOTOR FAIR /
Come and see all of the leading manufacturers with their latest models on display in one place.

FOOD & DRINK HEAVEN /
The Cornwall Food & Farming Pavilion is where you can try and buy a huge array of fabulous Cornish produce. The foodie extravaganza doesn't end there. The celebration of Cornish food and drink is evident across the showground. Come and get your taste buds tickled!
It's a must on your to do list.

SERIOUS AGRICULTURE...

As one of the UK's leading agricultural shows the Royal Cornwall brings farming alive. Watch judging, the grand parades and get up close to the animals.
