#### Staff Changes and New Classes for September

At the end of this academic year we will be saying goodbye to Miss McLennon and Mr Hooper.

Miss McLennon will be splitting her time between Cornwall and London and hopefully we will see her face in school on a supply basis in the future. Mr Hooper will be travelling, supporting others through voluntary work and spending time completing his cabin in the Malvern Hills. We'd like to thank both teachers for their hard work and dedication during their time at Penponds School and both will be sorely missed.

You may have noticed Mrs Pascoe has returned to school following her knee surgery. All the children cheered when she walked in on Monday – this was echoed by all the staff! We are delighted to introduce Mrs Wilkes who has moved from St Meriadoc Junior Academy to work as a HLTA in Godolphin Class. We know you will make her feel very welcome. Congratulations to Miss Gaylard who has been completing her teacher training with us and has secured her first teaching post at St Ives Infant School so she will be staying within the Rainbow MAT family. As of September we will be welcoming Mr Brokenshire who will be moving from St Meriadoc Junior Academy to teach at Penponds. Mr Brokenshire is an experienced senior lead teacher who will support Mrs Bailey with the running of the school. Mrs Bailey will continue at Penponds as Acting Headteacher in the new academic year. See below for new class structure and teachers for September. Support staff to be confirmed.

Class	Year Group	Teacher
Carn Brea	Reception/EYFS	Miss Berry
Godolphin	Year 1/Year 2	Miss King
Trencrom	Year 3/Year 4	Mrs Richards
Tregonning	Year 5/Year 6	Mr Brokenshire

#### **Big Breaktime for NSPCC**

Today we were raising money for NSPCC by joining in with an extra hour of play for staff and children to enjoy together – the NSPCC Big Breaktime. Thank you for your donations so far. It's not too late to donate on Parentpay if you haven't done this as yet and would like to do so.

We found out that Alfie's catapult was the best. We think this was because he used lots of lolly sticks to create space for the lever to move.

After testing, some children made improvements to their catapults and are ready to test them again.

Self-Portrait By Leonardo da Vinci Poem: Breakfast Alchemy

#### Breakfast Alchemy By Mary Quattlebaum

Science in the kitchen! My little brother claps. I let him measure flour (one cup, to be exact). Next, a spoon of sugar, one cup of milk, then – crack! – a single egg, a dash of oil, and...

Flat! Our flapjacks

#### **Aspiration Day in School**

On Monday 20<sup>th</sup> June we are having an Aspiration Day in school! Children are invited to come to school dressed up as their dream future self. We are asking for a donation of £1.50 per child for this event to support fundraising for FOPs.

We will be exploring what is needed to achieve these goals in term of education and qualifications needed if relevant and personal attributes and characteristics. We will also be looking into lifestyles, economics and money. To make this even more real for the children we need your help! Would any of you, parents/carers or family members, be free to come in to school and talk about your jobs/vocations and what you had to do to get there?

didn't fatten. Why? No baking powder! Oops. A small mistake that we can mend; we measure, add,

and try again.

My brother stirs and stirs. Our oopy-goopy glop grows smooth – and now The griddle's really hot. We pour another batch and soon our liquid, whiteish

dots begin to warm and thicken, puff and rise

Look now! Oh, wow!

Solid gold upon our plates: Super-Yummy Science Cakes!
