This week's focus: Year 3/4 STEM trip to Bristol

21 children from Trencrom class have spent the last 3 days in Bristol learning about science, technology and engineering. They explored habitats at Bristol Zoo, completed a space themed 'Maths Mission' day at We The Curious and then learnt about aerospace engineers and supersonic flight in Concorde at Aerospace Bristol. The children were fantastic ambassadors for our school staying at the YHA in the city centre and were courteous, well-mannered and extremely helpful. Thank you to Mrs Dunstan, Sioned Macmillian and Andrea Woodcock for helping on the trip. A detailed report will follow next week.

World Wildlife Fund Non-Uniform Day

On Friday 29th June we will be having a non-uniform day to raise funds for WWF. A donation of 50p per child would be most welcome. Also there will be a cake sale at breaktime and after school.

CSIA Sports for All Event

Oliver, Ben, Jess, Vincent, Terry, Emily, Rosie, Thomas, Alfie, Cadan, Ryan, Ruby and Lloyd went to CSIA for a Sports for All event on Wednesday. We got to choose between street dance, golf, dodgeball and volleyball. The games were run by sports leaders at CSIA and a professional golfer from Tehidy as well as a dancer who taught us a cool routine, including how to do the helicopter. My favourite sport was street dance because I didn't know any dance moves before.

Trevaskis Farm Trip

On Thursday 21st June, Ben, Jess, Morley, Vincent and Oliver along with Carn Brea Class went to Trevaskis Farm. Shortly after we got there we went and looked around the farm. Amazingly, we got to taste luxurious, juicy strawberries. We saw South Devon cows, British lop pigs and grey faced Dartmoor sheep. A bit later, we went back to the restaurant to have lunch as a class. Once we had finished lunch, we split up into two large groups for a treasure hunt. Eagerly, we looked for clues. First, clue 1 led us to the raspberries, clue 2 led us to the organic garden, that clue led us to the strawberries that led us to the gooseberries.

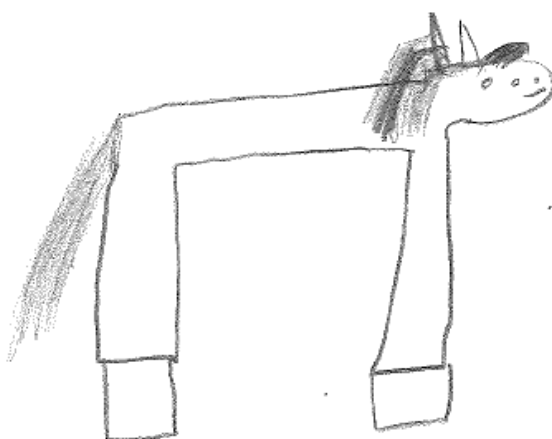

I mostly enjoyed strawberry picking and taking part in the treasure hunt. The reward for taking part and getting all the clues correct was a tomato plant.

My favourite animals were the goats and horses were my best as well. We picked the strawberries. We found treasure.

Surfing Club at Praa Sands

On Thursday the 21st June the Penponds surf club went surfing at Praa Sands. The people who went were Ben, Eddy, Jacob, Jake, Henry and Alice. We surfed for a bit, then we made a raft and tried to stand up. It was quite flat because of the high pressure. There were still some big waves. After that, we got out and went home. The raft was really enjoyable and after surf club I went snorkelling with my Dad. We saw two fish, 1 jelly fish, 4 crabs and one more fish.

Cornwall School Council PADL (Promoting Active Democracy Loudly) Award Ceremony

On Friday the 22nd of June, all the learning ambassadors and school council went to County Hall in Truro for a PADL award ceremony. A few weeks ago, a woman came in to assess our school, how we learn and what the school council meetings are like. Then today we went to receive the award. We came third, Nanpean School came second and Marlborough School came first. Twelve schools participated and they were: Redruth School, Falmouth school, Marlborough school (who came first), Nanpean school (who came second), Bishops C.E Learning Academy, St Breward school, Otterham School, Bude Primary Federation, St Wenn school, Stratton Primary school, Liskeard Hillford Primary school and last but not least Penponds School. All the schools wrote speeches about their school and then performed them. At the end of every speech, the audience can ask three questions with the microphone. When all the schools had said their speech, we had a massive group photo (there were loads of people there). That brought us to the end of our trip to the County Hall.
