This week's focus: Trevaskis Farm

Trencrom class had a fabulous day at Trevaskis farm on Tuesday. We had a tour of the farm and looked at how different foods are grown; we even got to sample some too. The market was a really interesting place to visit as we've been leaning about where food comes from, so we could see how far each food had travelled to reach the market. When we got back to school we wrote some fantastic poems using the five senses to describe our experience.

Poems:-

Strawberry by Jess O'Connell

Strawberry: tasty luscious strawberry in my tiny hands. Look at me with your gleaming eyes, scarlet as fire.

Strawberry: tasty luscious strawberry, can I eat you yet? You smell like the candyfloss you get from the fair.

Strawberry: tasty luscious strawberry, you look so pretty. You feel so soft and squishy yet smooth against my cheek if I brush you past my forehead.

Strawberry: tasty luscious strawberry. Yes! I can eat you now. You sound quite satisfying when I bite into your tummy.

Gooseberry by Zabian Mikail

Gooseberry: the astonishing taste of sour gooseberries tickling your tongue.

Gooseberry: the minty smell tickling your nose hairs.

Gooseberry: the microscopic hairs jumping on your fingerprints.

Gooseberry: as green as the grass, the lightness shining through your eyes.

Strawberries by Emily Trengove

Strawberries are scarlet, juicy, fruity waterfalls.

They feel like hard, fluffy carpet.

They smell like sweet refreshing strawberry milkshake.

They taste like a flavour bomb on my tongue.

SATS – Year 6

This week Year 6 did their SATs. SATs stands for Standardised Assessment Tests and every year 6 in the county has to do them at the same time! On the first day (Monday) we did the Grammar. It was 45 minutes and then we did Spelling. On Tuesday we did the Reading test. Wednesday was the longest day with one 30 minutes arithmetic test and one 45 minute maths reasoning test. It was horrible. The last day there was one more maths test. It was 40

Barripper Post Box

Carn Brea class learned about writing letters this week. We wrote letters to our parents inviting them to come into class next Thursday. The children then wrote the envelopes and placed their stamps. We then walked down to Barripper to put them in the post box. We looked closely and saw that our letters will be collected on Saturday morning. We also learned about the journey our letters will go on now we have posted them. We can't wait to see them delivered to our homes.

Visitor from Barripper Village Association

Carn Brea had an exciting visit from Lynsey Dennis from Barripper Village Association today (Lily Dennis' mummy) she told us all about how the village park is coming on and how much money they have raised, £41,000! Work starts soon and she invited us along to see how it's coming on. We also had an invite for the whole school for the grand opening! This will hopefully happen before the end of summer term. She also shared the design with us and lots of ideas for a great park were on there. We are all so excited to see it finished and to have a play. Thanks Lynsey for coming to see us today.

Surf Club

At surfing club every Thursday we start off by sitting down and listening to the instructors. We have to grab our surf boards in a buddy system and walk down to the beach. Once again we have to wait but this time we are on the beach so no playing with the sand. We managed to get to the time of practicing standing up. We got on the surf boards. We started surfing, the waves crashed and it was about nine seconds between the waves. We quickly got our first wipe out. An hour later we were allowed to have a nice swim and splash in the sea! The Rainbow Games 2019

Yesterday we went to St Meriadoc school for the Rainbow Cup and we did throwing, catching and fielding. We played four games of cricket. The team was Jasper, Toby, Mia, Summer, Joshua, Emily Q, Elijah, Ethan and Annabelle. Jasmine and Lemmie helped. We got a certificate to award us for fielding.
