Shocking Sugar Drinks Investigation Today we did an investigation on drinks and how much sugar they had in them.

How we did it: We all had bowls and sugar. We looked on the label of the drink eg juice burst had 20g of sugar in it. We had to use ratio to scale up as it wasn't obvious at first glance how much sugar was in each bottle. We used the scales to measure the sugar to put in the bowl. So for juice burst we would put 20g of sugar in the bowl. It was so full. We all wanted to continue. We drew a diagram

for all the drinks and how much sugar they had in them. By Amy

Quote for this week:

Everyone wants to live on top of the mountain, but all the happiness and growth occurs while you're climbing it.
 By Andy Rooney

Football

The whistle blows,
 I dribble the ball.
 Up the pitch it goes,
 But the defenders so tall!

I use my speed, I'm fast!
 I've got magic in my boots,
 I manage to get past,
 I can see the goal, I shoot.
 I've scored! We won.
 Football is fun!

By Gina Eastman

This poem is made to inspire girls to start football.

Carwynnen Quoit

Edward Lhu.yd was the first to find me,
 All the way back in 1700 AD,
 But I was here long before that,
 It's been 5000 years, or something like that!

I stand pretty tall at 1.5 meters,
 And weigh the same as 10,000 litres,
 Neolithic and ancient describes what I am,
 Some even call me a Giants Frying Pan,

I fell over and crumbled in 1966,
 To be honest I felt like I was in bits,
 But 50 years later, give or take 2,
 I was picked back up and built brand new!

Come and see me whenever you can,
 I'm not really a scary big pan,
 Carwynnen Quoit that's me, come soon,
 I live up the hill, past Vincent's in Troon.

Art Competition – Internet Safety Mascot

At Penponds we take internet safety very seriously. As part of our e-cadet programme we have a fantastic competition running this half term with fabulous prizes to be won! Our competition this month is an Art competition. We would like you to design your very own internet safety mascot! You can choose any artistic medium you like e.g drawing, painting, sculpture, photography, digital art. Your work **MUST** be your own - no copy and paste. Deadline is the 12th October 2018. The top three winning entries will be sent to E-cadet HQ for National judging! I look forward to seeing all your fantastic entries. Good Luck!
Miss Percy

School dinners

Our new school dinners are continuing to be a big success with over 60% of the school now having a hot dinner on most days. Chartwells have asked us to promote their '**Buy 4 get 1 free**' offer, where if parents pay for a whole week's worth of hot dinners in advance then the 5th lunch is free.

Polite Notice

Please do not drop off in the middle of the car park or on the yellow hash lines. They are only for emergency vehicles. Please use the allocated parking spaces. Your support is much appreciated.

I will learn to read but first I need to...

Rhyme

I need to recognise the sounds that letters make before I can read

Look at books

I need to be interested in words and books to read

Track

I need to follow objects with my eyes to read

Talk

I need an extensive vocabulary to understand what I read

Build

I need to use my fingers and hands independently to hold books and turn pages

Do puzzles

I need to differentiate size, shapes, lines and directions to read

... and I need someone to read to me every day!

The BSO launches its Cornwall Family Orchestra!

The BSO's Cornwall Family Orchestra will be launching on Sunday 7 October, allowing families of all shapes and sizes to share the joy of making music with each other.

The Cornwall Family Orchestra will be launching in Bodmin as part of the Fun Palaces weekend on the 7th October 2018. The launch is in partnership with intoBodmin, a CIC which aims to promote Bodmin as an attractive, engaging and inspiration town in the heart of Cornwall. The BSO's Family Orchestra has been designed to bring families of all shapes and sizes to share the joy of making music with each other.

The first session is completely free to attend. The following sessions will be held in Bodmin on the first Sunday of every month from November until February with a special performance as part of the BSO's Cornwall Residency in February 2019. These sessions give the chance for new musicians, and rusty ones alike, to work together, play together and create brand new pieces of music from scratch.

Inclusivity is key and the family orchestra is open to everyone. All ages, instruments and any musical standard are welcome, there are no auditions and you don't even need your own instrument – just turn up and play on the handheld percussion provided, or sing! From experienced musicians, to those who have just started on an instrument, or never played before, all are welcome.

The Family Orchestras are delivered by the BSO's Associates, a team of six multi-talented musicians working in the community to deliver the five distinct strands of work that make up Bournemouth Symphony Orchestra's vibrant Learning and Participation programme, BSO Participate. As part of the Resonate community engagement strand of work, the Family Orchestras bring people of all ages together to share the joy of creative, collaborative music-making in a fun, relaxed

environment.
