Apples Galore!

Today we had a special guest come in called Tamsin Floyd. She has been in four classes (including us). We did apple cutting and apple pressing to make apple juice. It was super nice!

How we made it:

- Wash the apple.
- Cut them very carefully.
- We used the apple presser and pressed the apples.

The reason we made apple juice:

The reason we made apple juice is because next week (Friday morning) you may know is HARVEST FESTIVAL. As Harvest Festival is all about fruits and vegetables we made apple juice because it's a fruit.

When Tamsin left we all said a very big THANK YOU. The apple juice was super nice made out of beautiful harvest apples. By Amy

Penponds School Surf Club

On Thursday evening our 14 members of surf club travelled to Sandy Acres to have their third lesson of the term. The weather and surf were ideal and the children continued to practice paddling into a wave and standing up. As you can see from the photos it was an amazing evening and lots of people were in sea learning to surf. Many thanks to Thomas and William's dad for helping out.

Face2Face is a free and confidential service linking
parent's and carers of children 0-25 with any disability or
additional need, with trained local parent befrienders.

We know how reassuring it can be to speak to someone who understands.

All our befrienders have personal experience and have received befriender
training so that they can support parents through what can be a very difficult,
isolating and confusing time.

We do this by holding our Oasis Group meetings at various
venues in mid and West Cornwall (please see below).

The meetings are friendly and informal and you can sit and chat to other
parents either as part of a group or one to one if you prefer, with a cuppa and a
biscuit! Children are welcome too. You will also find lots of information and
signposting about support and services available.
