### Quote of the Week:

Hard work has made it easy. That is my secret. That is why I win.

Nadia Comaneci, 5 times Olympic Gold Medalist and the First Perfect 10 Olympic gymnast.

### Early morning caller

All this week the school has been visited by this pheasant early in the morning. It's been on guard duty and quite likes to patrol the bike shed and outside area of the school before the children start their lessons.

## Save the date – Penponds Family Festival!

Penponds School is holding its annual Family festival on Friday 12th July from 3.30pm. Last year we raised £1500 and we're keen to beat that in 2019! We need as much help as possible with live music, stall holders, face painting, activities for the children, food drink and much more! If you know any stall holders/musicians that might be

interested please can you pass the details onto them and ask them to contact the school to book a table.

## CAMBORNE SAINT'S WAY

### Come walk with us this

### Sunday 30th June 1.30pm

Sustrust and Philip Hills are co-developing a **new project around** an important feature of Ancient Cornish Heritage, St la Chapel. We are building it around Pilgrim's routes and are taking a circular journey to explore the landscape and each others ideas. Do you want to co-develop with us? Camborne Saint's Way is our working title.

**Bring a picnic, water, sturdy shoes and a hat** and sun tan lotion. The route is about 6 miles. We are doing a longer route in late summer.

## *TAKE PART, HAVE FUN, STAY SAFE*

Children and young people love swimming outdoors, but swimming in the sea, rivers and lakes is very different to swimming in a pool.

Swim Safe is a fun, free opportunity for children aged between 7 and 14 (able to swim 25 metres) to learn how to keep themselves safe when swimming outdoors, and what to do if they get into trouble.

From 22 July to 27 August on Mondays and Tuesdays, children will have the chance to take part in a fun, practical, interactive Swim Safe session at the Surf House St Ives, The Island and learn all about how to stay safe by the sea.

Each hour long session is completely **FREE** and includes safety advice from qualified lifeguards and up to 30 minutes in-water tuition with qualified swimming teachers.

Swim Safe is an inclusive activity that can be adapted for children with special educational needs and/or disabilities.

Visit **swimsafe.org.uk** to book your place, or visit us on the day.

Supporting Partner

Children must be able to swim at least 25 metres to take part.  
Parents or carers must be present during the session.
