Tregonning Class

To support Tregonning's science about how the human body works, Bella's dad brought in his bike last term. He shared his love of cycling and his journey from childhood cycling to seven-time Cornish champion. He demonstrated using his bike and rollers indoors how, as his effort increased, so did his heart rate (and power output).

Rocksteady Music School Visit

Penponds were visited on Wednesday by Rocksteady Music School. This is a new and exciting offer for peripatetic music lessons that will be on offer here. Children learnt all about the band instruments - drums, vocals, keyboards, electric and bass guitars. Children were able to have a go with the instruments and were even able to play a song that they had learnt within the 45 minutes assembly/workshop. It was pretty incredible! Please check your child's bag for the Rocksteady letter giving further details for signing up. Lessons will be in school time on Friday afternoons and all arrangements and payments will be made directly with Rocksteady. There are bursary and funded placements available too - so please ask us about it.

Trevaskis Farm Visit Carn Brea Class

Carn Brea had a wonderful time visiting Trevaskis Farm on Thursday. We learnt all about a working farm, the fruit and vegetables which grow there and the animals which live there. We were lucky to have a tour of the farm, there was so much to see! After a busy morning looking around, we spent the afternoon exploring and hunting for mini beasts. We learnt so much about how plants grow and the habitats of farm animals and mini beasts. It was a great way to end our Let's Crawl topic. We are looking forward to starting our new topic, On the Move, this term!

Invite to Information Session for Parents on Internet Safety -

See survey later in the Newsletter. To continue our work, we have teamed up with South West Grid for Learning and have arranged for them to deliver a Parent/Carer Information session on **19th May 2022**. All adults with an association with the school are invited. The cost for this session has been requested to be covered by FOPs. It is not suitable that children attend this session.

I have shared the above survey data with the trainer and have asked that part of the session is practical, so parents/carers can bring in devices and be supported in setting up controls and restrictions with the trainer. Nearer the time a survey will be sent out to ensure the session is specific to the needs of Penponds.

To ensure maximum attendance, please complete the online form to state your preferred time for this session.

3.30-5.00pm, 4.30 – 6.00pm or 5.00pm-6.30pm.

Any times running over 5:00pm cost more, but I would rather pay more and have greater attendance. The most popular time slot will be booked. If your preferred time is not the most popular, we hope this gives you as much notice to keep the 19th May free. As a parent of a 13 and 10-year-old, I understand the challenges that are faced with screen time arguments, parental controls and dealing with a child who thinks they know it all too! Our young people are often ahead of the game - in terms of their skills (my son is often called to 'fix' the TV) - but we have the experience of spotting dangers and the responsibility to keep them safe when using the internet in this fast-ever-changing world.

We look forward to seeing you on 19th May.

Penponds Church Events

Saturday June 4th is our celebration of the Queen's Jubilee. Lots to eat, but also a crown competition for children, as well as the best dressed prince and princess. We will also have handbell ringers and a chance to have a go at ringing.

Barrripper Village Association – Notification of Future Events

The Platinum Jubilee – Big lunch on Sunday 5th June

The Barrripper Village Association are planning a community lunch on the playing field (Barrripper Park) to celebrate this wonderful occasion. Their theme is the 1950's and will encourage participants to dress for the occasion – be it costume, a hat or a hairdo.

They will have a mini bus running from the village to carry personnel to the playing field if they are unable to access their own transport and / or unable to walk the distance.

They invite all to bring their own picnic with a 'sharing table' for anyone to contribute and take from.

Barripper Harbour Day – Sunday 7th August

The Barripper Village Association are in the early planning stages of this event where they will have a dog show, craft stalls, car boot, fun football and much more.

Race for Life Event

Kaira from Trencrom Class and her Mum will be partaking in the race for life on Saturday 21st May at Stithians Show

ground. They are hoping to raise as much as they can. If you would like to sponsor them please follow the link below. Thank you.

Forest School After-school Club

This weekly club starting after the Easter Holiday offers a great variety of exciting outdoor adventures. Each week will be different. Activities may include building dens, searching for mini beasts, seasonal crafts, woodland games, bushcraft skills, campfire cooking and much more. Sessions are designed to follow the children's interests rather than follow a lesson plan! There will be the ethos of 'Leave no Trace' at the end. Every session will include a refreshment.

Please respond by
April 6th
Thank you

Do your kids love Forest School or have you heard of Forest School and want your kids to be involved? If your answer is yes then let them join our new after-school club.

Led by Sue Greenaway of Tree Folk Forest school, a Forest School practitioner and experienced teacher - who you all know, who will create a supportive yet challenging environment in which to have fun and learn new skills. Over time, children will grow in self-confidence, independence and self-esteem and will develop communication and problem-solving skills and a love and appreciation of the outdoors.

Forest School sessions are booked per half term - in 5 week blocks. There are limited spaces so booking is essential. Potential sessions will be for Trencrom Tuesday, Godolphin on Wednesday 3.15 - 5.00pm.

Each individual session costs £8, payable on a half-termly basis in advance.

If your child is interested in having fun and learning new skills and for further information, then register your interest by emailing Sue at treefolkforestschooll@gmail.com or text 07484630750 Please include your child's name and class.
