This week's focus: **Operation Encompass**

proper support can be put in place for any child that has been exposed to an incident before they come into school. This system is being introduced across the country and is proving to be very successful at relaying key confidential information quickly to the relevant professionals. As ever, Penponds school is keen to offer the best support possible to all our pupils and believe this will be extremely beneficial to all involved.

More information can be found at: <http://www.operationencompass.org/>

Thank you for your continued support

French lessons

Yesterday our new French teacher, Ms Aurelie Madec, started fortnightly lessons for Trencom and Tregonning class. Ms Madec is a language teacher at CSIA and brings a wealth of expertise as well as being a native speaker!

Flash Bang Wallop! At CSIA

On Friday 22nd September YR6 went to CSIA to watch the science show: Flash, Bang, Wallop!

We took a mini bus to Camborne School and went into the main hall and saw 3 tables. Then someone tipped liquid nitrogen on the floor and it turned into a gas and floated around the room. Then he got some dry ice (frozen carbon dioxide) and put it in some water, then he drank it. At first everyone gasped but then realized carbon dioxide is what is in fizzy drinks. Then for the finale he poured liquid oxygen onto some cotton wool and added

some iron filings and rice crispies and set them on fire. They almost exploded into a ball of fire. It was a great show and very good morning. By Jacob Necke

The club will run until 4:15pm and will require the following gear: football boots; shin pads; football socks; shorts and (preferably) a football shirt or form of top that is not a school P.E shirt. The school has a limited stock of football boots and shin pads if you wish to borrow any for the autumn term.

Free School Meals

Part of our school budget is made up of what is called "Pupil Premium" and this is largely based on the amount of children in the school who are entitled to free school meals. Unfortunately, with the free school meals for all infants initiative, we are at risk of this part of the school budget being greatly reduced if eligible parents do not still apply.

We are therefore urging all parents who feel that they may be eligible, regardless of whether their child does or does not take up the meal, or whether they are an infant already receiving free meals, to apply.

Any parents would be eligible to apply if they are in receipt of any of the following benefits: **Income Support; Income based Job Seeker's Allowance; Income Related Support Allowance; Child Tax Credit with an annual income of no more than £16,190.**

We have had several parents that have returned forms and are entitled so thank you. There is still time to complete a form if you have not already done so. Please collect a form from Mrs Wood in the school office. If you have any queries regarding this, please do not hesitate to get in touch. Remember if you are eligible and do not apply our school and your child is missing out on valuable funds.

Lunchtime supervisor vacancies

We have two lunchtime supervisor vacancies – one is for an immediate start. If you are interested please email Mr Richards at head@penponds.cornwall.sch.uk to discuss further.

Before School and After School

Some polite reminders:

No children or parents should be on the school site before 8.45a.m unless attending breakfast club.

Any children on the site between 8.30 and 8.45a.m should be accompanied by an adult. Please do not come in to see Mrs Wood in the office before 8.45a.m if possible as she is getting organised for the day.

Playground opens at 8.45a.m.—please let children enter on their own—we need to encourage them to be independent.

When children are waiting to come in before school they should not be playing on the hedges or climbing up the railings.

Congratulations to New Prefects this week:

Roisin and Evan

Quote of the week:

Set your course by the stars, not by the lights of every passing ship.

Omar Bradley.

When you have collected your child at the end of the school day please ensure they are closely supervised – the play equipment in the playground is out of bounds due to insurance reasons at the end of the school day.

If at all possible, please reverse into a space in the car park.

Thank you for your support.

Penponds School – Bake Day!

On Tuesday 27th September Penponds School is having a bake sale after school 3.15pm – 3.45pm.

Please bring a cake to raise money for Cancer Research.

It would be great if your child or any parents could bake a cake. You can bring the cake to school from home if you want to. By Thomas Preston

New Entitlement to an additional 15hrs of FREE Childcare a week

The new 30 hours entitlement for working parents will be available from September 2017.

□ The new entitlement to an extra 15 hours of childcare is an entitlement for the working parents of 3 and 4 year olds. These 15 hours are in addition to the existing universal entitlement for all 3 and 4 year olds. The purpose of this entitlement is to make sure that the cost of childcare is not a barrier to parents who want to work or wish to work more hours.

Eligibility will be based on parental income and not the number of hours worked each week.

□ The additional 15 hours will be available to families where both parents are working (or the sole parent is working in a lone parent family), and each parent earns a weekly minimum equivalent to 16 hours at national minimum wage or living wage, and less than £100,000 per year.

For further information go online and visit www.gov.uk, speak to your Early Years provider or contact the Family Information Service Tel: 0800 587 8191 or online www.cornwallfidsdirectory.org.uk
