New Arrivals!

We have welcomed some ducklings to our school. Carn Brea and Godolphin classes are learning all about life cycles in their current topic so they have an amazing opportunity to watch a real life cycle. We popped duck eggs into an incubator and watched them hatch into ducklings. So far, we have welcomed 3 adorable little ducklings. We have named them Pancake

(born on Pancake Day), Ash (born on Ash Wednesday) and Gruffalo (born on World Book Day). This has been a wonderful experience so far for Carn Brea and Godolphin children as well as all staff and children throughout the school!

Carn Brea Class

Carn Brea Class learnt about why Pancake Day is celebrated and enjoyed making and eating pancakes together, topped with lemon and sugar. In literacy we wrote a list of things that we need to make pancakes. We know that ingredients are the foods you need to make something and we know that a recipe gives us instructions for how to make something.

Eat Them to Defeat Them

At Penponds School we are taking part in 'Eat Them to Defeat Them', a national campaign for introducing fantastic vegetables into the diets of children. The launch date was 28th February but as a school we have chosen to launch this on 7th March as we have had a very busy and exciting week this week. You will find some more information about this in your child's pack which they should be bringing home with them today.

World Book Day – Thursday 3rd March

We had a 'Snuggle Down' during school hours for World Book Day - children to brought in their favourite books and wore pyjamas

Quote:

Reading is important. If you know how to read, then the whole world opens up to you.

Barack Obama

Poem:

The Duckling's Gratitude

I may be just a little duckling
Only a few days in this wondrous world
But I bow my head in thanks to be here
With my tiny wings unfurled

You may think that I'm contemplating
My spectacular biity webbed feet
And, although it's true they're amazing
I am thanking the sun for its heat

I am thankful for my little duck eyes
I am thankful for my splendid orange bill
I am thankful for yummy gold grain
That I can eat until I have my fill

We enjoyed visits from two local published authors. On Tuesday Scott Jones read extracts from one of his books to Trencom and Tregonning Classes and led a question and answer session with the children. On Thursday, World Book Day, Tracey Curran spent time with all classes. She read her story – with props – and talked with the children about ‘fractured’ or ‘twisted’ fairy tales; where a traditional fairy story has been changed or joined with another somehow. She led the children through a series of activities which resulted in some fantastic ideas for new stories.

I am thankful for my warm
yellow down
That covers me from my face
to my tail
I am thankful for the glowing
moon
Shining down on our nest in
the dell.

I am thankful for the other
ducks
Who hatched at the same
time as I
I snuggle with my brothers
and sisters
Safe and cozy as evening
draws night

Donation of Books

Thank you to the Emmanuel Gospel church for the generous donation of books for all the children this week.

Thank you,
Emmanuel Full Gospel
Church!

From,
Bella - prefect, school councillor - on
behalf of Perponds School!

☺

Donations for Ukrainian Refugees

Thank you to everyone who has donated items for the Ukrainian refugees being sent by lorry early next week. Ellie's Mum organised the collection and says she filled 3 cars with the donations from parents and staff from the school!

FOPS

On Wednesday Mrs Bailey invited any family members from the school community to attend a meeting to try and relaunch the Friends of Penponds School group. The Friends of Penponds (FOPs) raises money to enable the school to pay for events, facilities or equipment outside the normal school budget, and therefore advance the education of the children.

Furthermore, FOPs support events that promote a friendly and social atmosphere between all children, staff, parents/carers, governors and the local community.

We had two parents join Mrs Watts and Mrs Bailey, with a couple of other parents unable to make the meeting, but emailing to say they were interested in being involved.

We discussed the future structure of FOPs, with the understanding that some people can commit to every meeting and every event, whereas others may not be able to. We decided to attempt to have a Core Committee (those that can do lots!) and Sub-committee or Pool of Helpers who may be able to commit to one event etc.

We then managed to begin the planning of two events – both to occur this half term for the children!

1. **Holi Rainbow Red Nose and Spoon Race - Comic Relief event to coincide with RE teaching of Hindu festival of Holi - Friday 18th March 2022**
(separate details in this newsletter)

2. **Easter Movie Night - Thursday 7th April**

All children invited to stay after school. Bring a pillow, blanket and cuddly toy to snuggle up and watch a movie together. FOPs will provide popcorn, drink and small chocolate Easter egg per child.

Carn Brea Class - watch short film in classroom – 3:15 – 4:30pm

Godolphin Class - watch slightly longer film in classroom – 3.15 – 4.30pm

Trencrom and Tregonning - watch full length film in hall – 3.15pm – 5.00pm

School Council: Rights Ambassadors will speak to their classes about film choices and a vote will take place. Right to a voice and British Value of democracy lived out!

There will be a charge of £2.50 to attend this event to be paid via Parent Pay – sign up details to follow!

We also discussed a larger event for the summer of a Summer Disco, however we will need a few more helpers in order to put this event on.

If you would like to be involved in supporting any of these events, or future events please contact Mrs Bailey or Mrs Watts.

Comic Relief (Red Nose Day and Holi) – 18th March 2022

We will be fundraising like the rest of the country for Comic Relief on 18th March. The 18th March is also the Hindu festival of Holi. Many of our children have been learning about Hinduism in their RE lessons and we felt that we would try and mark both events together. Holi is the festival of love, colours and spring and it is traditionally celebrated by people getting very colourful by throwing powder paint and getting very messy and colourful! Find out more about Holi here [What is Holi? - BBC Bitesize](#)

You may have heard that The One Show are taking part in the Red Nose and Spoon Race Challenge (details here [The Red Nose and Spoon Race | Comic Relief](#)) and we felt that we could do our own version in school and link it to learning about Holi too.

All children will be invited to come to school wearing old light-coloured clothing. Each class will then take part in a Red nose and spoon race, where they will attempt to keep a Red Nose on their spoon as they go around the course. The course will have a Holi theme where children will run the course with water and powder paint thrown! Colourful sunglasses will also be provided to run the course. All children will go home with a Comic Relief Red Nose and their colourful clothes as a memento from the day.

We are asking for a contribution of £2.50 – with proceeds going towards Comic Relief and FOPS.

Our new relaunched FOPS (Friends of Penponds School) have kindly agreed to help fund this event by purchasing the powder paint and sunglasses. Thank you for your kind support FOPS!

Celebration Assemblies

If your child has achieved anything out of school could they please bring it in to share in Celebration assemblies on Fridays. Dance certificates, Football trophies, Horse riding rosettes etc anything we'd love to celebrate it!

Rights Respecting School

As you know we have been learning about Children's Rights as detailed in the United Nations Convention on the Rights of the Child this year. Our school council are leading on this in school and we are also focusing on children's rights in assemblies too.

Our whole school contributed to choosing these five articles from the United Nations Convention on the Rights of the Child to focus on:

Article 12 - Right to a Voice

Article 15 - Right to meet with friends and join clubs

Article 28 - Right to an education

Article 29 - Right to be the best you can be

Article 31 - Right to relax and play.

Our whole school learnt about many rights in assemblies. In assembly, we made a long-list of the rights the children wanted to focus on in school and then School Council: Rights Ambassadors chose the final five.

Following this a whole school charter was created– an agreement, with all signing up to respect our own and other's rights. This was designed by our School Council: Rights Ambassadors. Children chose to sign the charter by using their handprints in the shape of a rainbow to reflect being part of the Rainbow MAT family and handprints to be inclusive. All children in our school could sign up with a handprint. Children do not have any responsibility in order to access their rights as rights are unconditional. Children are the Rights Holders and adults are the Duty Bearers to uphold children's rights.

Our charter is not a set of rules, but is a visual reminder of our agreement; to strive to develop responsible behaviours through respecting our rights and those of others.

New School Curriculum needs a new name!

Our curriculum has recently been under review to mitigate the impact of the COVID-19 pandemic on our children's learning.

We know that remote learning is no substitute to children learning in the classroom alongside their peers, supported by teachers and learning professionals.

Following curriculum coverage checks of what had been taught in school and through remote learning, we decided to undertake a full curriculum review. This was especially important with a rolling curriculum programme (Year A and Year B curriculum) and mixed age classes.

Your amazing teachers have now completed this work and now it needs a name – something a little more exciting than, 'The Penponds School Curriculum'.

The curriculum belongs to the children, so it should be named by them, the Penponds children!

We want the name to be special to Penponds. We have planned it to be:

- Enjoyable
- Memorable
- Well Sequenced
- Have real-life hands-on experiences
- Hooks old and new learning together
- Have lots of links across subjects
- Build knowledge and skills for life

So, we are having a little competition. Can you think of a name that shouts 'Penponds' and all of these things too?

Have a think and send in your ideas via Dojo.

Once we have a name, we will be asking for designs from you for the logo too!

Right to a Voice. Right to an education.

See the poster at end of this Newsletter.

Penponds School Website

Please have a look at the Penponds School website to see its recent development. There is plenty of new information and you can check out last term's Topic Flipbooks using the links below too.

Topic Flip books Learning – Long-Term Memory

To support our focus on long-term memory and to ensure we never forget the wonderful learning we do in each topic, we have begun to create class topic flip books. These detail the learning sequence through a termly topic.

Children will be able to flip through the online books to revisit their prior learning and celebrate their enjoyable, memorable learning. We know these have been previously shared with you, but the children have enjoyed revisiting them so much, we thought we would re-share them again. At the end of the Spring term there will be new books to look through too!

WANTED – NEW GOVERNORS

What are we looking for?

Our school Local Governing Body is made up of Governors from all walks of life and many come to us through a variety of routes and with a range of different backgrounds, skills and experiences, but they are all volunteers who work together for the benefit of the school and are the link between the school and the community it serves

We want you

We are currently looking for 2 new Parent Governors and would be delighted to hear from anyone who has:

- an interest in the performance of the school
- a desire to contribute to and represent the community
- an open and enquiring mind
- the ability to look at issues objectively
- the confidence to ask questions and join in debate
- a willingness to listen and make informed judgements
- the ability to work well with others
- time to spare
- a child or children currently attending the school

If you match the above description, you may be the very person to become a Parent Governor at Penponds School.

Everyone has something to offer and we want people from as many backgrounds and with as wide a range of interests as possible.

What can we offer?

- The opportunity to work with our team of governors and staff in improving our school
- A sense of achievement in making a difference to our school
- The pleasure of helping students reach their potential

What is the Local Governing Body's Role?

The Local Governing Body of our school plays a key role in:

- setting targets for raising standards of educational achievement
- monitoring progress towards meeting these targets
- supporting and challenging the performance of the headteacher

A parent governor is not a delegate and does not speak 'on behalf' of the parent body. The role and responsibilities of parent governors are no different from those of the other governors.

The Local Governing Body meets every half-term, the meetings are held in the evening and run for approximately 2 hours. The term of office is 4 years.

As well as attending meetings governors are also asked to look at specific areas of the school's work in more detail and report back to the Local Governing Body.

To help support governors, everyone has access to further training to help build on existing skills or to develop new ones.

If you are interested, please complete the attached form with a brief description about yourself and why you would like to join the Local Governing Body, and return this Sam Hassett, shassett@rainbowacademy.org.uk

Closing date for applications midday Friday 18th March 2022.

If successful the terms of office start on 31/03/2022

Depending on the number of applications there may be an election process, which will be advised in due course.

Re-skilling
Cornwall

Supporting you back into employment.

Are you a resident of Pool, Redruth or Camborne wanting to return to the workplace? If so, the Re-skilling Cornwall programme could help.

What is Re-skilling Cornwall?

Re-skilling Cornwall is a European Social Fund programme providing a range of support for local people to enable them to develop their skills and support them towards employment. Our project is designed to first identify and then address the skills gaps that stand in the way of participants accessing the employment opportunities they're looking for.

Is this programme right for you?

The programme is for adults in Pool, Redruth or Camborne who have lost their job because of COVID-19 or are looking to return to work after a period of unemployment. If this sounds like you then we are here to help.

What support is available to you?

Our team will work with you to develop a tailored programme of support designed to address your barriers to finding a job. You will work with one of our Employment Coaches who will provide ongoing 1-2-1 support. This will include access to workshops covering job seeking, CVs, confidence building and use of social media to support your job search as well as opportunities to engage with employers through work experience.

STORIES OF STUFF

The People's Collection Redruth

Redruth has so many stories to tell and we want to hear them. The Writers' Block is planning an exhibition of the stories behind the objects that we collect in our homes.

You are invited to bring along your treasures or everyday objects and share their stories with our writers.

**Visit us at The Writers' Block stand, near the
Tinnars Hounds, Fore St (opposite Oxfam)
on St Piran's Day, 5th March 10am - 3pm**

Be part of an exhibition of the stories of the people of Redruth.

Join our writers and storytellers for a chat, and share the stories and tales relating to objects that hold meaning to you.

The objects need not be valuable, but rather just hold a story of some kind, from a sentimental, memory-laden item, to an object found in a pocket or purse. The resulting exhibition will capture the diverse stories that stem from the lives lived in Redruth. The objects will be photographed, so participants will not have to part with them.

Please visit us at our stand in the town centre by The Tinnors Hounds, when our writers will listen and write up your stories for the exhibition which will open on Murdoch Day 18 June.

And if you don't have an object to bring, come and say hello anyway...

EVERYONE HAS A STORY!

For further information contact info@keap.org.uk

ALSO - Look out for **The Story Republic** who will be performing stories and songs around Fore Street, The Buttermarket and Kresen Kernow during the day.
