## This week's focus: Easter Bonnet Parade

Thank you to everyone who helped their children with their Easter Bonnets and Easter eggs. There was a huge range of creations and colour yesterday in assembly. Well done to all the winners and particularly Ben Hoccom, with his amazing Cadbury Cream egg hat!

## Met Office forecaster visits Godolpin class

On Monday afternoon former Royal Navy officer and Met Office forecaster, Mr Partridge, came into school with a box of experiments to demonstrate how he predicts the weather to the children. He showed the children how to make a cloud in a bottle, how the Met Office collects the vast amount of data needed to understand what is going to happen and why weather forecasting is a very important science. Thank you to Mr Partridge for giving up his time.

## Football v Connor Downs

On Tuesday the football team took on Connor Downs school in the final match of the Camborne League at home. We went into a strong lead in the first half with 2 unanswered goals. Jack Vage was described as a, 'curtain of steel' in goal! Connor Downs came back in the second half with 2 goals to equalise the score at 2/2. It was a very entertaining game with two very well matched sides. Player of the Match: Jack Vage.

Last April Camborne Trevithick Day was greeted by many, with cries of dismay “Where’s the bunting”! We intend to putting that right!

Our new flags, feather flags and bunting will feature the colours from the town crest; Cherry, Blue, Gold and Black with the town crest centred in each flag.

This means that our street decorations will be synonymous with the town and its history and will emphasise the pride that we have in our community.

Support us with a donation please.
