Dear colleagues and volunteers,

### **Safeguarding requirements**

As you will be aware, everyone working within the education shares the vision to help keep children and young people safe. It is because of our close day to day contact with children that, “education staff have a crucial role to play in helping identify welfare concerns and indicators of possible abuse and neglect at an early stage.” (Working Together to Safeguard Children – March 2015).

Our school is fully committed and dedicated to ensure that we have appropriate systems securely in place which adhere to regulations and guidance, promote safe practice, identify and address potential risks, challenges poor and unsafe practice, and prevents unsuitable people from working with children. During our induction training and annual CPD on Safeguarding, E-Safety and Child Protection every January, we routinely make explicit reference to a number of key documents and highlight any changes in guidance, regulations, procedures and responsibilities.

The Department for Education’s guidance to Keeping Children Safe in Education September 2016 regarding disqualification states that the requirements stipulated in The Childcare Act 2006 and The Childcare (Disqualification) Regulations 2009 extend to the Early Years Foundation Stage in both the Maintained and Private, Voluntary & Independent (PVI) Sectors.

In summary, the regulations mean an individual ‘providing early years childcare or later years childcare to children who have not attained the age of eight’ may be disqualified as a result of an act for which they are directly responsible for example, committing a specified crime. Additionally, they may also be ‘disqualified by association’ as a result of living in the same household as someone who would themselves be disqualified, although this now only applies to domestic premises (**KCSIE updated Sept 2018**).

Individuals who are disqualified are not permitted to continue to work in early or later years provision, including school nursery and reception classes, although they can apply to Ofsted for a waiver.

I am, therefore, asking all staff to complete the declaration below and return this to the school office marked confidential. This declaration will need to be completed annually. If your personal circumstances change, please inform the Headteacher immediately. If you are unable to complete this declaration with confidence and/or need to disclose information about a member of your household please contact the Headteacher immediately. Any concerns or information will be dealt with in complete confidence. Any declarations not returned will be followed up by the Headteacher.
